## Stretch Away & Prenatale

HELPS PREVENT STRETCH MARKS  
AND SCARS

### BENEFITS

- ✓ Fades stretch marks and helps prevent their formation in women during pregnancy or individuals experiencing weight fluctuations.
- ✓ Reduces the appearance of scars, including both new and old scars.
- ✓ Helps prevent and fade stretch marks caused by aesthetic procedures that alter body measurements such as abdominal or thigh liposuction.
- ✓ Deeply moisturizes, softens, firms, and evens out skin tone.

**Packaging:** tube 150ml cream

**Packaging:** tube 150ml gel

**Packaging:** 100ml oil

# Live'em

## Soothiroid Monodose

- A soothing topical treatment for hemorrhoids, pre-dosed for single-use applications. Helps quickly relieve itching and burning sensations caused by external hemorrhoids or constipation.
- Especially suitable for postpartum women. Ideal for use after an episiotomy.
- Its gentle formula is designed to calm sensitive skin around the anal area, while supporting the healing of minor hemorrhoidal lesions. Reduces swelling, soothes inflammation, and promotes skin recovery after irritation.

**Packaging:** 5ml x 10 tube

## Live'em Soothiroid Relief Therapy

- A gentle topical foam designed to provide fast relief from itching and burning sensations caused by external hemorrhoids. Especially suitable for postpartum women, helping to ease hemorrhoidal symptoms and anal discomfort related to constipation during the recovery period. An ideal solution for women after an episiotomy.
- Formulated with soothing ingredients to calm sensitive skin around the anal area, it supports rapid healing of minor hemorrhoidal lesions, reduces swelling, and promotes skin recovery following signs of inflammation or irritation.

**Packaging:** tube 28g

# Live'em

## Soothiroid FOAMEase

- A gentle cleansing foam designed to clean the skin around the anal area and quickly soothe common symptoms such as itching, burning, and swelling — especially in cases of external hemorrhoids or after bowel movements.
- Effectively removes sweat, secretions, and bacteria that may cause irritation. Supports the recovery and protection of sensitive skin, helping reduce the risk of secondary infections — particularly beneficial for postpartum women, individuals with sedentary lifestyles, or those with chronic constipation.
- Maintains daily hygiene by keeping the area dry, fresh, and comfortable. Ideal as a supportive step in hemorrhoid care and treatment.

**Packaging:** 100ml - foam

# Live'em

## Soothiroid Calm Spray

- A soothing hemorrhoid relief spray that provides fast relief from itching and burning sensations caused by external hemorrhoids. Especially suitable for postpartum women, helping to ease hemorrhoidal discomfort or anal soreness due to constipation during the recovery period. Also ideal for women after an episiotomy.
- Its gentle formula is designed to calm sensitive skin around the anal area, support rapid healing of minor hemorrhoidal lesions, reduce swelling, and promote skin recovery following signs of irritation or inflammation.

**Packaging:** bottle 100ml - spray

# Live'em

## Soothiroid Calm Film Forming

- A soothing hemorrhoid relief gel that provides fast relief from itching and burning sensations caused by external hemorrhoids. Especially suitable for postpartum women, helping to relieve hemorrhoidal symptoms or anal discomfort caused by constipation during the recovery period. Also ideal for women after an episiotomy.
- Formulated with a gentle, skin-friendly base to calm sensitive skin around the anal area. Supports rapid healing of minor hemorrhoidal damage, reduces swelling, and promotes skin recovery after irritation or inflammation.

**Packaging:** bottle 28ml - gel

## Live'em Soothiroid Calm Wash

- A gentle cleansing solution designed to clean the skin around the anal area and quickly soothe itching, burning, and swelling — common symptoms of hemorrhoids, especially external ones or after bowel movements.
- Effectively removes sweat, secretions, and bacteria that may cause irritation. Helps protect and restore sensitive skin, reducing the risk of secondary infections — particularly beneficial for postpartum women, those with sedentary lifestyles, or individuals with chronic constipation. Maintains safe daily hygiene, leaving the area clean, dry, and comfortable. Ideal as a supportive care step in hemorrhoid treatment routines.

**Packaging:** bottle 60ml - gel

# Live'em VeinEase Relief

- Relieves the feeling of heaviness in the legs caused by varicose veins, leaving the legs feeling lighter and more comfortable.
- Helps reduce the appearance of varicose and spider veins.

**Packaging:** tube 125ml - cream

# Live'em Intimate Fresh Cleansing Wipes

- Gently and conveniently cleanses the intimate area during prenatal check-ups, childbirth, or menstruation.
- Helps protect the intimate area from infections and irritation.

**Packaging:** Box of 10 sachets, 1 wipe/sachet

# Live'em Chamomile Intima

## Soothing Harmony

- A gentle formula with Chamomile extract that gently cleanses and helps protect the intimate area from bacteria and infection-causing agents, while maintaining the skin's natural physiological pH.
- Free from parabens and harsh irritants, this product is safe for sensitive skin and ideal for daily use by women of reproductive age — including during pregnancy and postpartum.

**Packaging: bottle 150ml - gel**

# Live'em MomCare

## Tender Nipple Cream

- Softens and soothes cracked or sore nipples during pregnancy and breastfeeding.
- Gentle formula, safe for both mother and baby.

**Packaging: tube 40ml - cream**

# Live'em Women RevitaCare Hair Shampoo

- Cleanses the scalp, stimulates microcirculation, and nourishes the scalp for stronger, healthier hair.
- Rich in natural extracts and antioxidants to help prevent hair follicle aging, reduce hair loss, and extend the hair's life cycle.

**Packaging:** bottle 200ml - shampoo

# Live'em Women RevitaCare Hair Lotion

- Moisturizes the scalp and controls excess oil.
- Enriched with natural extracts and antioxidants to help prevent hair follicle aging and reduce hormone-related hair loss.
- Boosts blood circulation, nourishes, and protects hair from root to tip.

**Packaging:** bottle 200ml - lotion

# Live'em Gut Health

- Live'em Gut Health provides natural prebiotic fiber for daily use, offering multiple digestive and metabolic benefits:
- Supports digestion and relieves constipation, especially during pregnancy, postpartum recovery, and in children with underdeveloped digestive systems.
- Helps prevent hemorrhoids, anal fissures, and tears caused by chronic constipation.
- Naturally detoxifies the digestive tract, flushing out residues from unhealthy foods and maintaining a healthy gut environment.
- Stabilizes blood sugar levels, supports metabolism, and helps reduce the risk of obesity.
- Promotes a lasting feeling of fullness, aiding in weight management and supporting overall health.
- Enhances the gut microbiota by stimulating the growth of beneficial bacteria, strengthening the body's natural immune defense.

Clinically proven results: Most users experience improved bowel regularity and reduced constipation. Over half also report weight loss after consistent use.

**Packaging:** bottle 200ml - shampoo

# Live'em

## Pregnancy Procure

- A comprehensive supplement providing essential vitamins and minerals to help prevent common deficiencies during pregnancy and breastfeeding, such as anemia, osteoporosis, and micronutrient depletion. Enriched with folic acid, the formula helps reduce the risk of neural tube defects in the developing fetus. Supports maternal health and energy levels, ensuring optimal nutritional preparation for a healthy pregnancy. Also aids in enhancing the quality of breast milk, delivering essential nutrients to support the healthy development of breastfed infants.

### Packaging:

- Box of 1 bottle containing 60 softgel capsules
- Box of 6 blisters × 10 softgel capsules

# PRODUCT FOR BABY

# Live'em Baby Tear-Free Soft Clean 2in1

- A gentle 2-in-1 body and hair wash for daily use, non-stinging to the eyes, and safe for newborns and young children.
- Gently cleanses while moisturizing the skin and leaving hair soft and smooth.

**Packaging:** bottle 200ml shampoo

# Live'em Baby Tender Moist Cream

- A gentle moisturizing cream safe for newborns and young children.
- Naturally hydrates to keep baby's skin soft, smooth, and well-nourished.

**Packaging:** bottle 200ml - cream

# Live'em SoftShield Nappy

- Helps prevent and soothe diaper rash in infants and young children, minimizing the risk of spreading.
- Protects diaper area skin from moisture, irritation, and redness.
- Recommended for use after every diaper change.

**Packaging:** tube 50ml - cream

---

## Live'em SoftShield Nappy Soothing

- Quickly soothes and relieves diaper rash in infants and young children, helping prevent it from spreading.
- Forms a protective barrier to shield the diaper area from moisture, irritation, and redness.
- Recommended for use after every diaper change.

**Packaging:** bottle 100ml - spray

# Live'em Baby Herbal Cradle Cap Shampoo

- Gently removes scalp buildup caused by seborrheic dermatitis in infants, leaving the scalp clean and refreshed.
- Soothes flaking and itching, while helping regulate excess sebum production.

**Packaging:** bottle 200ml - shampoo

# Live'em Baby Herbal Cradle Cap Oil

- Softens and helps loosen cradle cap and scalp buildup in infants.
- Apply 1–2 hours before shampooing to enhance cleansing effectiveness.

**Packaging:** bottle 100ml - oil

# Live'em Baby Deep Moisture Gel

- Deeply moisturizes and softens the skin of babies with sensitive, dry, or eczema-prone skin.
- Keeps baby's skin soft, comfortable, and well-hydrated throughout the day.

**Packaging:** tube 50ml - gel

# Live'em Baby Deep Moisture Cream

- Deeply hydrates and softens the skin of babies with sensitive, easily irritated, dry, or eczema-prone skin.
- Helps keep baby's skin soft, soothed, and comfortable all day long.

**Packaging:** bottle 200ml - cream

# Live'em Baby Deep Moisture Wash

- Gently cleanses and is safe for newborns and young children.
- Herbal-based, skin-friendly formula suitable for babies with sensitive, dry, easily irritated, or eczema-prone skin.

**Packaging:** tube 150ml - shampoo

# Live'em Baby Liquid Talc

- Liquid powder that helps protect baby's delicate skin.
- Keeps the skin dry, soft, and smooth without clogging pores

**Packaging:** bottle 150ml - liquid

# Live'em Baby Colic Relief

- Tummy massage gel that helps relieve digestive discomforts such as bloating, gas, constipation, and indigestion in babies.
- Soothes the digestive and nervous systems, helping reduce fussiness and colic-related crying.

**Packaging:** tube 100ml - gel

# Live'em Baby Gum Comfort

- Quickly soothes teething pain, helping reduce fussiness and crying in babies.
- Protects delicate gums and helps prevent inflammation or injury from chewing and biting.

**Packaging:** tube 15ml - gel

# Live'em Baby Soothing & Hydration Face Cream

- Quickly soothes dry, red, and irritated skin on the face and around the mouth.
- Supports the restoration of the skin's natural barrier, keeping baby's skin soft, smooth, and hydrated.

**Packaging:** tube 50 ml - cream

## Live'em Probiotic Balance Drops

- Provides beneficial probiotics to help balance the gut microbiota.
- Helps reduce the risk of digestive disorders and intestinal discomfort.
- Supports a healthy digestive system and improves nutrient absorption.
- Strengthens the immune system in children.

**Packaging:** Box of 1 bottle × 20 ml with syringe included

# Live'em D3K2 Calcium Boost Liquid

- A calcium supplement that supports the healthy development of strong bones and teeth, promotes height growth, and is especially beneficial for children during growth spurts or those with slow height development.
- Also helps boost immunity and strengthen the body's natural defenses.
- Supports the reduction of symptoms related to calcium deficiency, such as restless sleep, difficulty falling asleep, bone and joint discomfort, delayed teething, slow motor development, and stunted height growth.

**Packaging:** Box of 1 bottle × 90 ml syrup with measuring cup included

# Live'em Baby Multivitamin Drops

- Oral suspension that provides essential vitamins for the comprehensive development of children:
- Provides vitamin D3 to enhance calcium absorption, support strong bones and teeth, and promote height growth
- Provides vitamins B1 and B2 to stimulate appetite, reduce picky eating, and improve metabolism and nutrient absorption
- Provides vitamins B2, PP (B3), and B5 to boost protein synthesis, support the development of the nervous system and muscles, and help heal mouth ulcers and lesions caused by skin and mucosal inflammation
- Provides vitamin B6 to support and protect nervous system function and enhance brain development
- Provides vitamin A to improve eye health: prevent night blindness, reduce dryness, and protect mucous membranes and skin — especially suitable for infants and young children
- Provides a trio of vitamins A, C, and E to deliver antioxidant protection, strengthen immunity, and reduce the risk of infections and inflammatory diseases

**Packaging:** Box of 1 bottle × 20 ml with syringe included

# PRODUCT FOR NEWBORN MOM

# Live'em

## Episiotomy Lesion Healing

- Cares for and protects damaged skin after episiotomy or vaginal surgery
- Helps soothe, relieve pain, and promote skin healing and recovery

A specialized product for scar treatment, especially post-cesarean surgical scars

**Packaging:** tube 30 ml - cream

# Live'em

## Stretch Away & Prenatale

HELPS PREVENT STRETCH MARKS  
AND SCARS

### BENEFITS

- ✓ Fades stretch marks and helps prevent them in women during pregnancy or those experiencing weight changes
- ✓ Reduces the appearance of both new and old scars
- ✓ Prevents and fades stretch marks caused by aesthetic procedures that alter body measurements, such as abdominal or thigh liposuction
- ✓ Deeply moisturizes, softens, firms, and evens out skin tone

**Packaging:** tube 150ml cream

**Packaging:** tube 150ml gel

**Packaging:** 100ml oil

# Live'em MomCare Tender Nipple Cream

- Softens and soothes cracked or sore nipples during pregnancy and breastfeeding
- Gentle formula, safe for both mother and baby

**Packaging:** tube 40ml - cream

## Live'em Revive & Restore B

- Enhances skin elasticity and firmness in the chest area, leaving it smooth and evenly toned
- Improves sagging or wrinkled skin caused by pregnancy, aging, weight changes, or menopause
- Can be used after cosmetic procedures that alter breast size or shape

**Packaging:** tube 125ml - cream

# Live'em

## Soothiroid Monodose

- Single-use topical hemorrhoid relief cream that quickly soothes itching and burning in the anal area caused by external hemorrhoids or constipation
- Especially suitable for postpartum women; ideal for use after an episiotomy
- Gentle formula that calms sensitive skin around the anus, supports rapid healing of minor hemorrhoidal damage, reduces swelling, and promotes skin recovery after irritation or inflammation

**Packaging:** 5ml x 10 tube

# Live'em

## Soothiroid Relief Therapy

- Topical hemorrhoid relief cream that quickly reduces itching and burning caused by external hemorrhoids. Especially suitable for postpartum women, helping relieve anal discomfort or hemorrhoidal symptoms due to constipation during recovery. Ideal for women after an episiotomy
- Gentle formula that soothes sensitive skin around the anal area, supports fast healing of minor hemorrhoidal lesions, reduces swelling, and promotes skin recovery after irritation or inflammation

**Packaging:** tube 28g

# Live'em

## Soothiroid FOAMEase

- Cleansing foam for the anal area that quickly soothes itching, burning, and swelling commonly associated with hemorrhoids, especially external hemorrhoids or after bowel movements
- Removes sweat, secretions, and bacteria that may cause irritation; supports the recovery and protection of sensitive skin, reducing the risk of secondary infections — particularly for postpartum women, sedentary individuals, or those with chronic constipation
- Maintains daily hygiene, keeping the area dry, clean, and comfortable — ideal as a supportive step during hemorrhoid treatment

**Packaging:** 100ml - foam

## Live'em Soothiroid Calm Spray

- Soothing hemorrhoid relief spray that quickly alleviates itching and burning caused by external hemorrhoids. Especially suitable for postpartum women, helping ease hemorrhoidal symptoms or anal discomfort due to constipation during recovery.  
Ideal for use after an episiotomy
- Gentle formula that calms sensitive skin around the anal area, supports fast healing of minor hemorrhoidal damage, reduces swelling, and promotes skin recovery after irritation or inflammation

**Packaging:** bottle 100ml - spray

# Live'em

## Soothiroid Calm Film Forming

- Soothing hemorrhoid relief gel that quickly alleviates itching and burning caused by external hemorrhoids. Especially suitable for postpartum women, helping relieve anal discomfort or hemorrhoidal symptoms due to constipation during the recovery period. Ideal for use after an episiotomy
- Gentle formula that calms sensitive skin around the anal area, supports fast healing of minor hemorrhoidal damage, reduces swelling, and promotes skin recovery after irritation or inflammation

**Packaging:** bottle 28ml - gel

# Live'em

## Soothiroid Calm Wash

- Cleansing product for the anal area that quickly soothes itching, burning, and swelling commonly associated with hemorrhoids, especially external hemorrhoids or after bowel movements
- Removes sweat, secretions, and bacteria that may cause irritation; supports the recovery and protection of sensitive skin, reducing the risk of secondary infections — particularly for postpartum women, sedentary individuals, or those with chronic constipation
- Maintains daily hygiene, keeping the area dry, clean, and comfortable — ideal as a supportive care step during hemorrhoid treatment

**Packaging:** bottle 60ml - gel

# Live'em VeinEase Relief

- Relieves the feeling of heaviness in the legs caused by varicose veins, leaving the legs light and comfortable
- Helps fade and reduce the appearance of varicose veins

**Packaging:** tube 125ml - cream

# Live'em Intimate Fresh Cleansing Wipes

- Gently, quickly, and conveniently cleanses the intimate area during prenatal check-ups, childbirth, or menstruation
- Helps protect the intimate area from infections and irritation

**Packaging:** Box of 10 sachets, 1 wipe/sachet

# Live'em Women RevitaCare Hair Shampoo

- Cleanses the scalp, stimulates microcirculation, nourishes the scalp, and helps strengthen the hair
- Enriched with natural extracts and antioxidants to prevent hair follicle aging, reduce hair loss, and prolong the hair life cycle

**Packaging:** bottle 200ml - shampoo

- Quickly soothes gum pain during teething, helping reduce fussiness and crying in babies
- Protects delicate gums and helps prevent inflammation and damage from chewing and biting

**Packaging:** tube 15ml - gel

# Live'em Baby Soothing & Hydration Face Cream

- Quickly soothes dry, red, and irritated skin on the face and around the mouth
- Supports the restoration of the skin's protective barrier, keeping it soft, smooth, and well-hydrated

**Packaging:** tube 50 ml - cream

## Live'em Baby's First Steps Soothing

- Helps reduce swelling, quickly soothes, and supports fading of bruises and redness in toddlers during walking or playtime
- Protects injured skin from impacts and helps minimize marks left on the baby's skin

**Packaging:** tube 50 ml - cream

# Live'em Kids Smiley Toothpaste

Specialized toothpaste for babies that helps:

- Clean milk teeth
- Prevent plaque buildup and early tooth decay
- Gentle formula that soothes sensitive gums and is safe if swallowed

**Packaging:** tube 50 ml - toothpaste

# Live'em Kids Smiley Mouth Wash

Mild mouthwash specially formulated for children that helps:

- Clean the oral cavity
- Support strong and healthy milk teeth
- Prevent plaque buildup and early tooth decay
- Safe if swallowed, helping children develop a daily mouth-rinsing habit

**Packaging:** bottle 100 ml - liquid

# Live'em Kids SoftCare Sunscreen SPF 50

Gentle sunscreen cream for face and body:

- Protects baby's delicate skin from UVA & UVB rays
- Helps prevent sunburn and skin damage
- Moisturizes the skin
- Shields the skin from UV-induced irritation and inflammation

**Packaging:** tube 150ml - cream

## Live'em Kids After Sun Milk

Gentle baby lotion:

- Soothes and restores sensitive skin after sun exposure
- Infused with natural herbal extracts, absolutely safe for babies
- Provides moisture, reduces irritation, and leaves a cool, calming sensation

**Packaging:** bottle 150ml - lotion

# Live'em Kids Sun & Insect Protection

Dual-action protection specially formulated for baby's sensitive skin:

- Shields the skin from harmful UVA & UVB rays
- Helps repel insects – a common cause of skin irritation and redness
- Moisturizing formula that keeps baby's skin soft and nourished

**Packaging:** bottle 150ml - lotion

# Live'em LiceFree Kids Spray

Scalp care spray that helps:

- Soothe irritated areas caused by lice and relieve itching and discomfort
- Suitable for sensitive scalps
- Calms and protects skin prone to scratching from frequent rubbing
- For best results, use before shampooing with Live'em Kiddy LiceAway

**Packaging:** bottle 125 ml - spray

# Live'em Kiddy LiceAway

Scalp care shampoo for children with lice:

- Gently cleanses the hair and scalp
- Mild formula suitable for sensitive skin
- Helps soothe irritated scalp caused by lice, reducing itching and discomfort
- Minimizes scratching that can lead to skin damage, while protecting the scalp and providing comfort
- For best results, use after Live'em LiceFree Kids Spray

**Packaging:** bottle 125ml - shampoo

## Live'em Sensi-U Care Washing

Mild, pH-balanced intimate wash specially formulated for young girls:

- Gently cleanses the delicate intimate area
- Helps relieve itching and soothe irritation
- Moisturizes and keeps the skin soft and comfortable every day

**Packaging:** bottle 100ml - liquid

# Live'em Brace Relief Gel

- Specialized pain-relief product that quickly soothes discomfort and irritation in the oral mucosa and gums caused by dental procedures, orthodontics, or other implants; suitable for both children and adults
- Supports the healing process and reduces gum irritation at contact points of implants such as dentures, bridges, or metal braces

**Packaging:** tube 15ml - gel

# Live'em Skin Soothing Multi Gel

- Gentle multi-purpose gel specially formulated for baby's sensitive skin, quickly soothes irritation caused by dryness, insect bites, minor scratches, mild burns, or allergic reactions
- Herbal extract blend and Provitamin B5 help reduce inflammation, provide moisture, protect the skin, and keep baby's skin soft and healthy

**Packaging:** tube 50ml - gel

# Live'em Gut Health

- Live'em Gut Health provides natural prebiotic fiber for daily use, helping to:
- Support digestion and relieve constipation, especially during pregnancy, postpartum, or in children with underdeveloped digestive systems
- Reduce the risk of hemorrhoids, anal fissures, and tearing caused by constipation
- Naturally cleanse the digestive tract and eliminate toxins from unhealthy foods, maintaining a healthy gut
- Stabilize blood sugar levels, support metabolism, and help prevent obesity
- Promote a lasting feeling of fullness, aiding in weight management and overall health
- Stimulate the growth of beneficial gut bacteria, strengthening the body's natural immune barrier

Clinically proven results: Studies show most users experience regular bowel movements, reduced constipation, and over half report signs of weight loss after use

**Packaging:** bottle 200ml - shampoo

# Live'em D3K2 Calcium Boost Liquid

- Provides calcium to support strong bone and teeth development, promote height growth — especially for children in growth stages or those with delayed height development
- Boosts immunity and strengthens the body's natural defenses
- Helps reduce symptoms related to poor calcium absorption such as restless sleep, difficulty sleeping, bone and joint pain, delayed teething, slow motor development, and stunted height growth

**Packaging:** Box of 1 bottle × 90 ml syrup with measuring cup included

## Live'em Probiotic Balance Drops

- Provides beneficial probiotics to help improve gut microbiota balance
- Helps reduce the risk of digestive disorders and intestinal discomfort
- Supports a healthy digestive system and enhances nutrient absorption
- Strengthens the immune system in children

**Packaging:** Box of 1 bottle × 20 ml with syringe included

# Live'em Baby Multivitamin Drops

- Oral suspension that provides essential vitamins for the comprehensive development of children:
- Provides vitamin D3 to enhance calcium absorption, support strong bones and teeth, and promote height growth
- Provides vitamins B1 and B2 to stimulate appetite, reduce picky eating, and improve metabolism and nutrient absorption
- Provides vitamins B2, PP (B3), and B5 to boost protein synthesis, support the development of the nervous system and muscles, and help heal mouth ulcers and skin/mucosal lesions
- Provides vitamin B6 to support and protect nervous system function and promote brain development
- Provides vitamin A to support eye health: prevents night blindness, reduces dryness, and protects mucous membranes and skin — especially suitable for infants and young children
- Provides a combination of vitamins A, C, and E to deliver antioxidant protection, strengthen immunity, and reduce the risk of infections and inflammatory diseases

**Packaging:** Box of 1 bottle × 20 ml with syringe included
